K7812 Chrome Plated Metal

Finishes

A6642 Chrome (AA)

K7812 Chrome (AA)

Designer

Artefakt Industriekultur

Special Notes

Suitable for balanced supplies. Consideration should be given to safe hot water delivery and the use of an appropriate temperature reduction device such as A5901AA. The water collection system A6189NU for pullout shower hoses can be used with this fitting. Any water which runs down the hose is collected and directed to drain rather than allowed to collect on the floor under the bath which could damage wooden floors.
